Case No.

*B-14-755-MJ***CRIMINAL COMPLAINT**

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date of August 14, 2014 in the county of Willacy in the Southern District of  
Texas, the defendant violated 8 USC 1324

an offense described as follows:

Knowing or in reckless disregard of the fact that aliens had come to, entered, or remained in the United States in violation of law, concealed, harbored, or shielded from detection, or attempted to conceal, harbor, or shield from detection, such aliens in any place, including any building or any means of transportation within the United States.

This criminal complaint is based on these facts:

On August 14, 2014, U.S. Border Patrol Agents located and apprehended Israel SANTIAGO-Guzman. SANTIAGO-Guzman informed U.S. Border Patrol Agents that twelve undocumented aliens were being harbored in an abandoned agriculture building near County Road 10 and Farm to Market Road 490 in rural Willacy County. Based upon that information, HSI Harlingen Special Agents and U.S. Border Patrol Agents conducted a search near the aforementioned building which lead to the discovery of twelve undocumented aliens hiding in the brush. Agents interviewed the undocumented aliens revealing ECHEVARRIA-Zuniga, ECEVARRIA-Guizar and SANTIAGO-Guzman were involved in the transportation and harboring of the undocumented aliens. SANTIAGO-Guzman admitted he was a brush guide and that ECHEVARRIA-Zuniga and ECEVARRIA-Guizar were involved in the transportation and harboring of the twelve undocumented aliens.
